UNION AND AMERICAN. FARM AND GARDEN.

THE ENGLISH SPARROW. The Rural New Yorker regards the English sparrow as one of the pleasantest features of the parks and private

surroundings. It adds: They destroy insects and worms which would otherwise be annoying and injurious and, excepting that they have driven away most other small birds. they seem in cities to do no particular damage. Some complaint is made of their destructiveness in grain fields and in seed gardens, and further South they may in time become more of a nuisance than a benefit; but in all northern latitudes no such danger need be feared. The little songsters would perish by thousands as far north as New York or Brooklyn if not provided with warm boxes and food during the winter. Many of them died last winter in spite of all precautions and care. This places the matter on an easily is an undoubted blessing and there he may be fed and protected through the winter. In the country, whenever farmers and gardeners find him too troublesome, they have only to withdr. w their care and the severity of Northern winters will rapidly reduce their Lumbers. In England farmers find there sparrows an intolerable nuisance; but English winters are never severe exough to check their in-

We had rather trust tile birds than millions of army worms, the bateful curculios that often spoil peaches, the borer that girdles trees, the pea bugs, the pests on cabbages, turnips, and everything cultivated in garden, orchard or field.

ANTWERP, July 7 .- Petroleum 25f. New York Money Market. NEW YORK, July 7-Money closed easy at 2a21 per cent. Prime mercantile paper was 31a5 per cent. Sterling exchange was dull at 4.861a4.87 for 60 days and 4.89 a4.90 for sight. Gold opened at 117, advanced to 117; and closed weak at 116; The carrying rates 1a2 per cent. The Assistant Treasurer disbursed to-day \$358, 000. The clearings to-day amounted to \$26,000,000. The Customs receipts today were \$377,000. The afternoon decline in gold was based on the following dispatch from Washington: "Secretary Bristow claims the right under the provisions of th specie resumption Act to increase the bonded debt to any amount necessary carry out the requirements of that act. He says he has already sold 5 per cent. bonds in purchase of silver bullion and for coin. The amount thus disposed of will probably reach to between ten and eleven millions. The Treasury now holds between ten and eleven millions in silver bullion and silver coin. One million silver builion was purchased on Saturday. Government bonds were firm. Railroad bonds were quiet. State bonds were quiet except Tennessee which were better. Stocks were huoyant and higher throughout the day, and the highest quotations in some cases were made in the final dealings. Western Union was the leading feature, rising from 80 to 81] and closing at \$1 a\$11. Pacific Mail was also conspicuous and advanced from 40% to 42, closing at 41%. The rise in these stocks was based partly on the report that th company was about closing negotiations for the sale of some of it wooden side-whee easy financial condition. Lake Shore ad vanced from 50% to 60% with the last sale at 601; the increased strength in Lake Shore is partly the result of an advance is

steamers for \$1,300,000 gold, an amoun 100 fbs., \$1.50@3.00; spring lambs, \$1.50@ that would place the company in a very passenger fares from East to West. The other Western shares were strong, North western rising to 39f for common and 30f for preferred. Burin the afternoon there was considerable activity in Mariposa stock The general market closed strong and with a tendency to higher prices.

The sales at the Stock Exchange between

ten and two o'clock to-day aggregated 144. 000 shares, of which 35,000 shares were Pacific Mail, 46,000 Western Union, 37,000 Lake Shore, and 5,000 Northwestern.
